DEATH OF ESTIMABLE LADY.

Mrs. H. H. Kinder Passes Away Suddenly.

The people of this community were saddened Thursday evening by the announcement of the sudden death of Mrs Mary Kinder, wife of Mr H H Kinder, a highly esteemed citizen and farmer, residing about six miles west of Kingstree. Mrs Kinder was apparently in her usual good health when, at 6 o'clock Thursday evening, she was stricken while sitting in her chair engaged in needlework. Death was due to heart failure, this organ having been affected for several years, though no immediate danger was anticipated by members of her family. Before her marriage to Mr Kinder fifty odd years ago, the deceased was Miss Mary Brunson, daughter of the late Rev Robert Brunson, of the Methodist conference, and a native of Sumter county. She was a most estimable lady and a member of the Presbyterian church. She is survived by her husband, five sons and two daughters, viz: Messrs H F, L P, J C, H U and Virgil Kinder, of this community; Mrs Lemuel Koger of Walterboro and Mrs W H Carr of Kingstree; also one brother, Mr Wesley Brunson of Savannah, Ga.

Funeral services took place at the Presbyterian church at 4 p. m. Friday, Rev P S McChesney officiating. Interment was made in the Williamsburg cemetery. The pallbearers were: Messrs L W Gilland, T C Jacobs, R H Godwin, L J Stackley, E C Burgess and M H Jacobs, special friends of the family.

The deceased was about 70 years of age and with her husband had resided in this community for the past 55 years. She was loved by all who knew her.

This Simple Laxative A Household Necessity.

Dr Caldwell's Syrup Pepsin Should Have a Place in Every Home.

Constipation, or inaction of the bowels, a condition that nearly everyone experiences with more or less frequency, is the direct cause of much disease. When the bowels become clogged with refuse from the stomach, foul gases and poisons are generated, and unless the congestion is quickly relieved the system becomes weakened and most susceptible to attack.

Various remedies to relieve constipation are prescribed, but many of these contain cathartic or purgative agents that are harsh and violent in their action and shock the system. The most effective remedy is the combination of simple laxative herbs with pepsin that is sold in drug stores under the name of Dr Caldwell's Syrup Pepsin.

The Hon John D Keister of Brandywine, W Va., who has represented his district in the State Legislature for six years, writes that he used Dr Caldwell's Syrup Pepsin and finds it a splendid laxative, easy to take and mild, yet positive in its action, and that it should be in every household for use when needed.

Dr Caldwell's Syrup Pepsin is sold by druggists in all parts of the United States and costs only fifty cents

a bottle. It contains no opiate or narcotic drug, does not gripe, and is recommended as a family laxative, mild enough for the tiniest babe, yet sufficiently powerful to act easily on the strongest constitution.

To avoid imitations and ineffective substitutes be sure to get Dr Caldwell's Syrup Pepsin. See that a facsimile of Dr Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed.

A trial bottle, free of charge, can be obtained by writing to Dr W B Caldwell, 455 Washington St., Monticello Illinois

DELIGHTFUL SOCIAL EVENT.

Mrs. Jno. D. Britton Entertains--Engagement Announced.

Mrs John D Britton delightfully entertained a number of friends at her home on Ashton avenue Friday afternoon from 4:30 to 6:00 o'clock. Upon the arrival of the guests a slogan contest was engaged in. The first prize, a dainty hand-made lace handkerchief, was awarded to Mrs J Percy Hutson, sister of the hostess. Misses Ada Brockington and Emma Cooper tied for the consolation prize, a set of lingerie clasps, Miss Cooper being the winner. The invitations had conveyed the idea that the party was given in honor of friends visiting Miss Jimmie Britton, sister of the hostess. Immediately after the contest, however, little Miss Margaret Lesesne entered the room holding a most mysterious looking bag. When the feminine curiosity was at its height the bag was opened and a little white kitten jumped to the floor, being caught by Misses Cooper and Brockington. Upon untying the ribbon from round the kitten's neck, Miss Brockington read the following announcement:

"The cat is out of the bag now, for Jimmie Britton is not going to Florida, as she has been telling us, but, on December 2, 1916, will become Mrs Fore Jasper Watson." The announcement came as a complete surprise, for no one suspected the engagement. Miss Jimmie is the only daughter of Mr and Mrs H O Britton. It is with genuine regret that her many friends learn that in the near future she will make her home in another town. Her charming manners and loving disposition have won her a place in the hearts of all. Mr Watson, who for the past two years has been the successful superintendent of Little Rock High school, is a graduate of the Citadel in Charleston and of the University of South Carolina. He is a member of a prominent Latta family and has a host of friends throughout the State.

After Margaret "let the cat out of the bag" the guests were ushered into the dining room. Delicious refreshments, consisting of ambrosia on scalloped orange peel, capped with whipped cream and marachino cherries, together with pound cake, were served buffet style by Mrs J Percy Hutson, Miss Essie Blakely and Mrs Claude J Thompson. The round dining table was laid with a real cluny lace cover, the centerpiece consisting of a reflector, on which was placed a bowl of pink roses and lace fern. The entire house was decorated with miniature pines, ferns and bamboo, the color scheme of the decorations being pink and green.

Among the guests partaking of Mrs Britton's hospitality were Misses Lula Brockington, Ada Brockington, Jimmie Britton, Emma Cooper, Essie
